 Category B, Expires Apr, 2034

Profil

Junior Cloud Architect with one year of remote experience in crafting and implementing cloud solutions across diverse platforms. Well-versed in cloud-native technologies and DevOps practices, with a focus on improving system scalability, performance, and automation. Proven ability to collaborate with cross-functional teams to enhance cloud infrastructure and support strategic initiatives aligned with business needs. Committed to continuous learning and delivering efficient, future-ready cloud environments.

EDUCATION

04.2024 – 04.2025
Germany, Berlin

AWS Cloud Engineering

DCI Digital Career Institute GmbH 

- AWS Cloud Practitioner: Learned core AWS services, cloud concepts, and pricing models.
- AWS Solutions Architect: Focused on designing scalable, secure AWS architectures. Worked with services like EC2, S3, and RDS for building resilient solutions.
- AWS DevOps: Gained hands-on experience with CI/CD pipelines using AWS tools like CodePipeline and CodeBuild. Learned to monitor and optimize cloud apps with CloudWatch.
- Terraform Fundamentals: Provisioned AWS infrastructure with Terraform, focusing on scalable, reusable configurations for EC2, S3, and RDS.

01.2020 – 03.2024
California-USA-Online

Bachelor of Computer Science

University of the People 

- Gained a strong foundation in programming languages such as Python, Java, and C++
- Developed problem-solving skills through algorithms, data structures, and software development
- Studied database systems, including SQL and data modeling
- Learned core concepts of operating systems, networking, and computer architecture
- Completed coursework in web development, cloud computing, and cybersecurity fundamentals
- Participated in team-based software projects using Agile methodologies
- Built critical thinking and analytical skills through hands-on labs and academic projects

01.2019 – 12.2020
Berlin-Germany

Relocation to Germany-telc Deutsch A1-B1

Domestic Berliner School

- Achieved telc Deutsch B1  certification, continuing to improve speaking confidence to support relocation and integration in Germany
- Completed a professional integration program for migrants (MnS)  in Berlin, focused on language development, job market orientation, intercultural skills, and communication training.

WORK EXPERIENCE

05.2006 – 11.2018
CWA(Congo, Gabon,
Cameroon, EG)

Regional Business Manager

SLB (Schlumberger) Oilfield services company 

Wellbore Cleanup Tools and Filtration Equipment

- Improved Efficiency: Reduced operational downtime by 15%, enhancing productivity across regions.
- Cost Reduction: Led initiatives that cut operational expenses by 20% while maintaining service quality.
- Team Leadership: Managed a high-performing team, boosting performance by 25%.
- Client Relations: Strengthened client relationships, securing contracts worth over \$5M.
- Safety Excellence: Achieved a zero-accident record over two years, ensuring safety compliance.
- Innovation: Introduced new solutions that increased system efficiency by 30%.

CERTIFICATES

AWS Cloud Practitioner Associate Certification

Expires Aug 08, 2028 [↗](#)

HashiCorp -Terraform Associate Certification

Expires Apr 11, 2027 [↗](#)

AWS Solution Architect Proffessional Certification

Expires Aug 08, 2028 [↗](#)

SKILLS

Basic Cloud Platforms

AWS, Azure, and Google Cloud.

Infrastructure as Code (IaC)

Automation Tools

Basic Scripting and Programming Languages

Problem-Solving and Troubleshooting

LANGUAGES

German — Grundkenntnisse

Elementary Proficiency

English — Fortgeschritten

Full Professional Proficiency
